5. (Unclassified - GLC) LIAISON Talked with Arnold Donahue, OMB, and told him that we had received a letter from Senators Walter Huddleston (D., Ky.) and Mark Hatfield (R., Oreg.), Chairman and Vice-Chairman respectively of the Senate Select Committee on Intelligence Subcommittee on Charters, asking for us to designate a point of contact within the Agency to discuss certain matters. I told Donahue I wanted to alert him that I was to be the individual named. Donahue had no problem with our sending a letter identifying me as a contact point, but said he would expect us to consult with them when discussions start to get specific.

We also discussed Representative Paul Findley's (R., Ill.) desire to fight the 1% kicker on our CIARDS legislation. They are not too concerned about it.
